

<p>What is L A B E E S I T Y[®]?</p>	<p>L A B E E S I T Y[®] is the first & only scientifically proven <i>Labisia pumila</i> (Kacip Fatimah)-based product for healthy weight loss for both men and women.</p> <p><i>Labisia pumila</i>, or Kacip Fatimah, is a native South East Asian plant found in its lowlands and forest floors. In Malaysia, it has been used as traditional medicine by the Malays for over 400 years.</p>
<p>Why L A B E E S I T Y[®]?</p>	<p>L A B E E S I T Y[®] is a 100% patented (Patent No. WO 2016093692 A1) natural herbal extract made from Standardised Kacip Fatimah Extract (SKF7[™]) with each capsule containing a minimum of 4.5% Gallic Acid. It has been proven by numerous researches that Gallic Acid promotes weight loss, is high in antioxidants, and contains anti-bacterial and anti-inflammatory properties.</p> <p>L A B E E S I T Y[®] demonstrated a significant reduction in the percentage of body weight, body mass index (BMI) and visceral fat in the preclinical studies conducted by University of Science Malaysia (USM). The studies conducted also revealed that L A B E E S I T Y[®] acts in the following ways to reduce body weight:</p> <ul style="list-style-type: none"> • Blocks fat storage • Inhibits fat cells from growing • Blocks dietary fat from being absorbed • An appetite regulator
<p>L A B E E S I T Y[®] Uniqueness Standardised Kacip Fatimah Extract (SKF7[™])</p>	<p>L A B E E S I T Y[®] contains SKF7[™] which is a Standardised Herbal Extract. Standardisation provides consistency of active compounds in every capsule to ensure quality, efficacy and safety. Each capsule of L A B E E S I T Y[®] is standardised to a minimum of 4.5% Gallic Acid, which is the main active natural compounds of Kacip Fatimah (<i>Labisia pumila</i>).</p> <p>There are multiple natural compounds that work synergistically for weight reduction and other benefits in our proprietary SKF7[™] extract. Using our PhytoProfile[™] technology we screen and profile for at least 7 marker compounds with every batch of L A B E E S I T Y[®] to ensure consistency.</p> <p>Unlike other weight loss products, L A B E E S I T Y[®] has no negative side effects such as diarrhoea, vomiting, headache, heart palpitation and dry mouth/lips and contains no stimulants (such as caffeine).</p>

<p>How does LABEESITY[®] work?</p>	<p>LABEESITY[®] works synergistically in multiple ways to support your weight loss goals:</p> <p>Blocks fat storage: Blocks fat accumulation and formation in the body through the inhibition of adipogenesis activity.</p> <p>Inhibits fat cells from growing: Inhibits fat cells expansion and multiplication by preventing vessel growth to adipose or fat tissue.</p> <p>Blocks dietary fat from being absorbed: Blocks some dietary fat from being absorbed by mildly inhibiting the pancreatic lipase enzymes.</p> <p>Appetite regulator: Regulates your appetite resulting in a reduced food or total caloric intake.</p>
<p>Benefits of LABEESITY[®]</p>	<p>Healthy Weight Loss: No side effects (no diarrhea, no vomiting, no headache, no heart palpitation, no dry mouth/lips). Reduced visceral fat, improved bowel movement and a more sustainable weight loss solution.</p> <p>Vitality & Energy booster: Increased in vitality and energy for your daily activities.</p> <p>Anti-Oxidants and Anti-Inflammatory: Protects from free radicals. Prevents premature ageing, improves skin condition and reduces body inflammation.</p> <p>Tones & firms the body: Tones & firms abdominal muscles through the reduction of visceral fat.</p> <p>Other Benefits: Kacip Fatimah has also been used as a traditional medicine to improve women’s health and vitality, for reproductive health and menstrual disorders, for postpartum (after childbirth) and pre/post menopausal women. It is also traditionally used by men in Sarawak to maintain and increase stamina.</p>

<p>Maintaining your ideal weight.</p>	<p>If you have achieved your ideal weight with LABEESITY[®], we highly recommend you to continue taking half your dosage daily to ensure that there is no relapse of weight gain. We also recommend that you adopt a healthier lifestyle through exercising as a healthy weight is best achieved through a balanced diet and physical activities.</p>
<p>Usage Recommendation</p>	<p>If you are new to LABEESITY[®] or Kacip Fatimah extract, for the first 3-5 days, take one (1) capsule of LABEESITY[®] 125mg twice daily after meals. Subsequently, take two (2) capsules after meals twice daily for better results.</p> <p>Please consult your pharmacist/doctor before taking this product. Contraindicated in pregnant women. Insufficient reliable data in breastfeeding women.</p>
<p>User Experience</p>	<p>While LABEESITY[®] does not have any negative side effects, its effectiveness may also vary from one person to another. You can achieve your desired weight loss with LABEESITY[®] without abruptly changing your lifestyle (i.e. with regard to your normal food consumption and activities).</p> <p>However, it is important to monitor its effects on you. For faster results and improved overall fitness & well-being, take LABEESITY[®] daily while performing regular exercises and adhering to a healthy diet by reducing your refined carbohydrate (such as sugar, white bread etc.), fried and processed food intake.</p> <p>Some users may experience initial reactions such as burping, flatulence and/or Increased bowel movement. As a general guideline, it is recommended to increase your water intake to at least 8 to 12 glasses a day (1.9 - 2.8 litres a day) when taking LABEESITY[®].</p> <p>If you have any questions or concerns about the product usage, please Email us or contact us through our Careline Number as shown below.</p>
